Cancel
If you cannot make your appointment, you are REQUIRED to cancel or reschedule in advance of your scheduled advising appointment time slot. You can cancel in two (2) ways: online or in person using our virtual receptionist. If you fail to cancel your appointment and do not attend your scheduled appointment, you will be automatically blocked from rescheduling another appointment online until you email crinck@usf.edu with your name, U#, and explanation for missing the appointment.

The best way to cancel is to use the online system.
To cancel using eScheduler:
Log in with your U# and select "Women’s Studies".
Your scheduled appointment should then appear and you can select cancel.
Once cancelled, you can also reschedule for any other available appointments.
If you have trouble completing the cancellation online and it is 24 hours or less until your appointment, please email crinck@usf.edu to cancel your appointment.
